The Tarpon Springs Area Historical Society collects documents, photographs, business records, objects, maps, audio and video recordings, art, rare and vintage books and publications that are relevant to Tarpon Springs' area history.

All potential donations are reviewed by the Collections Committee as to their relevance to the Society's historic collection before a final decision is made to include them in the collection. The Committee meets frequently. Within 6 to 8 weeks you should receive a letter informing you of the Committee's decision. If the committee declines to accept your donation based on the criteria described above, it will be held at the Depot Museum and returned to you at your convenience.

The Society appreciates your willingness to donate to its historic collection.
